

## // REGEN BOOTCAMP BRIEFING//

### // WHAT TO EXPECT //

**Regen Bootcamp aims to progress regeneration ideas for London's high streets and workspaces.**

Regen Bootcamp is the launch of the London Regeneration Fund. Much more than just an informational event, Regen Bootcamp will bring together a diverse audience – tech and social innovators, council members, designers and consultants – to explore London's high streets and 'places of work' and come up with new and exciting ideas for regeneration projects across London.

We will be providing inspiration through presentations, case studies and one-to-one sessions with experts. The afternoon's *Regen Engine* will turbocharge your ideas through an open space session, aiming to conclude the day with a showcase and round up.
