Dear Darren,

**Re: London Assembly (Plenary) meeting 15 January - Motions**

Thank you for your letter dated 23 January 2014 to the Commissioner that was then passed to me from the Commercial and Finance Directorate to respond.

We note the recent motion in relation to preventing the use of animals to test household products and have taken steps to include this requirement for future tender specifications where products of this nature are due to be purchased or utilised on behalf of the Metropolitan Police Service.

Yours sincerely

**Lee Tribe**  
Director of Strategic Procurement
