Dear Paul,

Regeneration Committee – 26 November 2014

I would like to thank you on behalf of the London Assembly's Regeneration Committee for attending our meeting on 26 November 2014 to discuss London Legacy Development Corporation. We found it very helpful to have a range of views and expertise represented at the meeting.

During the course of the discussion you agreed to confirm to the Committee whether residents in the three residential areas within the LLDC's area could apply to have a Local Neighbourhood Plan.

I would be grateful to receive any of the above information by mid-December, if possible, in order for it to be reported back to the Committee.

A draft transcript of the question and answer session is enclosed. If you have any amendments of a factual nature please contact Teresa Young or Joanna Brown, Senior Committee Officers, on 020 7983 6559 or at teresa.young@london.gov.uk / joanna.brown@london.gov.uk. In the meantime, the transcript will be published on the GLA's website as a draft, until it is confirmed by the Regeneration Committee at its meeting on 7 January 2015.

If, in light of the discussion at the meeting, there are any further issues that you wish to highlight, please do not hesitate to write to us with details. Please send any correspondence to Jo Sloman in the Scrutiny Team via email at jo.sloman@london.gov.uk

For more information on the work of the Regeneration Committee please do visit our website at <http://www.london.gov.uk/mayor-assembly/london-assembly/regeneration>

We are currently collecting data on guests' experiences of giving evidence to our Committees. If possible, please could you spare five minutes to complete a short survey (all responses are anonymous and kept strictly confidential). The link to the survey is here: <http://ow.ly/Cyw4K>

Once again thank you for your time and your contribution to our investigation.

Yours sincerely,
