Dear Mark,

I am writing to share the findings of the London Assembly Transport Committee's investigation into the Taxi and Private Hire Vehicle (PHV) industry in London. The Committee are writing to the Mayor of London, Sadiq Khan, with recommendations on a number of issues, however there is two area that we want to write to the Government about, as these are more directly within your control. Please see attached letter to the Mayor of London, in which Recommendation 3 and 5 relate to the Government, and how TfL engages with the Government around issues on this topic.

Yours,
