Dear Caroline, Florence, Steve & Caroline,

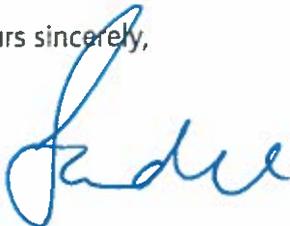

Crystal Palace Park and National Sports Centre (NSC)

Thank you for your letter of 18 May concerning Crystal Palace Park and the NSC.

When I met Steve on 7 June we discussed some of the points of concern, including issues in relation to timing, community engagement, sporting legacy and the need to ensure we have a joined up approach to the park and the NSC.

GLA officers are currently exploring options to help determine the best way forward. I'm aware of the ongoing work led by Bromley Council on the implementation plan and governance for the wider park and also of the proposed meeting to be chaired by Sport England which would include London Sport, CPSP and GLA officers. This work will be of assistance as we seek to find a solution. In the meantime the GLA continues to support the Park through the short-term improvements.

Yours sincerely,

Sadiq Khan
Mayor of London
