Dear Tony,

Thank you for the petition presented to the London Assembly (Plenary) Meeting on 5 November about the three linked development applications for the redevelopment of the Stag Brewery.

I can advise that Application C (Reference: GLA 4172b) concerning works to 'Chalkers Corner' Junction has recently been withdrawn by the applicant. A representation hearing has not yet been confirmed for the two remaining called in applications (Reference: GLA 4172 & GLA 4172a), so it will not be possible for me to participate in any discussions that are related to this decision so as not to prejudice my consideration of the case.

Matters raised in the petition will be considered alongside other public consultation responses in the assessment of the application at a future hearing.

Yours sincerely,
