Council Homes - GLA Housing Starts on Site and Completions

The figures in this report relate to housing programmes that the GLA is responsible for. Additional starts and completions are reported within the Ministry of Housing, Communities & Local Government (MHCLG) Statistics at the following links:

MHCLG Housing Statistics Live tables are available at the following link: <u>https://www.gov.uk/government/statistical-data-sets/live-tables-on-affordable-housing-supply</u>

Notes:

- ^[1] Starts on sites and completions are reported within the GLA's published statistics when the units are recorded and authorised in GLA systems. Subsequent revisions to projects may occur however revisions will be kept to a minimum and included only where the changes reflect material errors at the time of reporting.
- ^[2] The Supported and Specialist programme lines include projects from the legacy Care and Support Specialised Housing, Move on, Homelessness Change, Platform for Life programmes and the Rough Sleepers Accommodation Programme (RSAP) where the starts on site occured prior to 31 March 2023. RSAP projects that started on site from 1 April 2023 onwards are included under Other Programmes, Supported and Specialist sub category. For RSAP, only projects with a lease length of 5 years or more are included in the published statistics.
- ^[3] Social Rent (and LAR to benchmarks) includes social rent and London Affordable Rent at social rent based benchmarks.
- ^[4] Other Intermediate includes intermediate market rent and other intermediate market products
- ^[5] Homes funded via the GLA Right To Buy Ringfence programme are not counted in statistics for the general affordable housing programmes. These are additional and only reported for council homes delivery.

Revisions

As part of the move towards the Mayor's commitment to achieve full compliance with the ONS Code of Practice on Use of Statistics the GLA may apply revisions to the published statistics to ensure accuracy. Revisions will be confirmed in the GLA published statistics on an annual basis and will be applied from 2015-16 to reflect the Mayor's target delivery period. Revisions will be kept to a minimum and included only where the changes reflect a material adjustment.
