

Corporate Investment Board

Smart London Board Meeting of Monday 18 May 2020

Chair: Theo Blackwell, Chief Digital Officer for London

For attendees and apologies, see Appendix 1

Background

The Board is made up of leading figures from the tech sector alongside entrepreneurs and academics and advises the Chief Digital Officer on how London can put digital technology and data at the heart of making the capital an even better place to live, work and visit.

Meeting of 18 May 2020

1. *Update on GLA's Covid-19 response* (Theo)
 - GLA's Recovery Task Force
 - Discussion of the role of data in London's recovery
2. *Discussion of digital solutions to the Covid-19 pandemic, including digital track and trace apps* (Julia and Theo)
 - Discussion of the NHSX digital contact tracing app and the role of the GLA and local authorities.
3. *Emerging technologies* (Theo)
 - Discussion of two future working groups for the Smart London Board to (a) inform and structure the city's response to **emerging technologies** ways to evaluate and discuss emerging technologies in London (b) support GLA thinking on **data governance** in the forthcoming London Datastore proposal.
 - **Action: Davina to set up one-to-ones with Theo and SLB members.**
4. *AOB* (All)
 - The [draft Public London Charter](#) has been released for information only. It sets out the Mayor's expectations on the management of public spaces in London.
 - **Action for Board members: Contact Julia if you have any feedback on the draft Charter.**
 - [Skills for Londoners Covid-19 response fund](#) - £9mi for adult education providers to expand and enhance their online education provision.
 - Volker Buscher is starting a new project on evidence-based strategies to address the possible long-term and significant changes we will see in our workplaces, homes, transport and urban systems as a result of Covid-19. Interested in the data and evidence that will be needed to manage these changes. **Action: All to contact Volker if this project is of interest.**
 - Jarmo Eskelinen is working on a central global open finance hub and is keen to collaborate to utilise this resource. **Action: All to contact Jarmo if this is of interest.**
 - The next Board meeting will be moved from 4 August to mid-July.

Cleared by: Theo Blackwell, Chief Digital Officer, Mayor's Office

Lead Officer: Julia Thomson, Smart Cities Policy Lead, City Intelligence Unit
