

7th November 2019

Dear Inspector,

OPDC response to Interim Findings

Thank you for providing your Interim Findings on the viability of the Cargiant site allocation and Sustainability Appraisal. I'm writing to inform you that OPDC intends to submit a response to the Interim Findings as quickly as is feasible; however, this response will be delayed until early 2020 due to the following factors:

- the recent announcement of a General Election on 12 December and the associated pre-election period starting Wednesday 6th November;
- the on-going HS2 independent review and delay to the review's recommendations;
- the on-going discussions between OPDC and the Ministry and Housing, Communities and Local Government regarding Housing Infrastructure Funding; and
- the requirement of the Interim Findings to seek to engage with Old Oak Park Limited to inform proposed Local Plan modifications.

We will be writing to the stakeholders who attended the relevant examination hearings regarding the Cargiant site allocation viability and Sustainability Appraisal to inform them of this delay.

We will continue to keep you and the stakeholders informed of any updates to the programme. Should you have any questions please do not hesitate to get in contact.

Yours sincerely,

Tom Cardis,
Interim Assistant Director of Planning, OPDC
