

# Principal Mayoral appointments (non-staffing)

## Note

This is a select list of principal Mayoral nominations and appointments to GLA-led bodies and bodies led by organisations outside the GLA Group. It does not cover all appointments and nominations. In addition, in some cases the board or body will include other members, not nominated or appointed by the Mayor.

Following the May 2016 Mayoral and Assembly elections, there are a number of vacant positions / appointments pending. This list will be updated as appointments are made.
