

SEASIDE & COUNTRY HOMES AREAS AND PROPERTIES GUIDE

This guide contains information about the areas and properties that are part of the scheme. You should read it carefully before you make your application. You may also find it useful to refer to once you've applied or if you need to contact us.

WHERE OUR PROPERTIES ARE LOCATED

WHAT IS SEASIDE & COUNTRY HOMES?

The Mayor of London's **Seaside & Country Homes scheme** offers older council or housing association tenants in London the opportunity to move away from the hustle and bustle of the city.

The scheme helps more than 200 households to move from London each year. It is operated by the Mayor of London and is funded by the London boroughs. You can find more information about Seaside & Country Homes and the Mayor's other mobility scheme, Housing Moves, at www.housingmoves.org.

WHO CAN APPLY?

Seaside & Country Homes is open to households living in council or housing association properties in London where at least one member of the household is aged 60 or above.

Any members of the household who are under 60 years of age must be either the partner, joint tenant or registered carer of the lead applicant. Second applicants aged under 60 are not able to become joint tenants of, or have succession rights to, Seaside and Country Homes properties.

We are unable to consider applications from more than two people.

Applicants should have no rent arrears or history of anti-social behaviour, and should not be going through possession proceedings or being evicted.

The Seaside & Country Homes scheme is very popular, so we cannot guarantee a move to everyone who applies. Priority is given to applicants who will free up the most bedrooms.

HOW TO APPLY

If you would like to apply, you can fill in an application form online, or you can download and complete one and send it back to us. Online and downloadable forms are available at www.housingmoves.org.

Alternatively you can pick up an application form from your landlord or local council's housing office, or contact us – the Mayor of London's Housing Mobility Team. Our contact details are on the back cover of this guide.

If you complete a paper or downloaded application form, please send it to us by post or email it to us as an attachment. Completed paper or downloaded applications should be sent direct to us rather than to your landlord.

As well as reading this guide, you should look at the **Seaside & Country Homes Scheme Guide**. This tells you how the scheme works, what you can expect from it, what to consider when you're applying and what happens once you've applied. It may help you decide whether the scheme is right for you. You can find it at www.housingmoves.org. Please contact us or your landlord if you would like a paper copy.

OUR AREAS AND PROPERTIES

Over 3,000 properties, mainly two bedroom bungalows and one and two bedroom flats, are exclusively available to London's social tenants aged 60+ and over. These are dotted all along the south coast, from Cornwall in the south west to Norfolk and Lincolnshire in the east, and across the countryside from Dorset to Cambridgeshire to Shropshire. Many have private gardens or outdoor communal areas and are in peaceful, purpose built developments. They are ideal for single people, couples or others who have retired or wish to do so. A list of all the areas, and types and sizes of properties, covered by the scheme can be found in Table 1 towards the back of this booklet.

People who move through the scheme become a tenant of the housing association that manages the property. They pay a social rent and their former tenancy rights are protected. Seaside & Country Homes tenants do not have the Right to Buy.

CHOOSING AREAS

When you complete the application form, you will need to choose which of the Seaside & Country Homes areas you would like to be considered for. There is no limit to how many areas you can choose. The more areas you are willing to move to, the more chance you have of being successful through the scheme.

However, you must be fully committed to moving to all of the areas that you select on your application form. It is likely that you will have to cover the costs of travelling to view properties, so we do not want you to waste

time and money viewing a property only to find that you do not like the area. If you choose areas that you have not previously visited, then we strongly suggest that you visit them as soon as you can. Once you are registered on the scheme, you can always get in touch with us to ask us to change or add to the areas on your application.

When choosing which areas to put down on your application, please think about the following points.

THE LEVEL OF DEMAND

Some areas are in higher demand than others and bungalows are in higher demand than flats. In some popular areas we have only a very small number of properties and therefore these will always be in high demand. In other areas where there are a high number of properties demand may still be high, often because the area is close to London. The level of demand for each property is indicated in the key below. The most popular areas on the scheme are in Essex, Kent and Sussex. Applicants who currently live in properties with only one or two bedrooms are more likely to be offered moves if they are prepared to consider properties and areas that are in medium, low or very low demand.

HOW WE MEASURE THE LEVEL OF DEMAND

***** **Very high demand:** likely to be offered to households giving up a minimum of three bedrooms

**** **High demand:** likely to be offered to households giving up properties with a minimum of three bedrooms but occasionally will go to households with two bedrooms

*** **Medium demand:** likely to be offered to households giving up properties with a minimum of two bedrooms

** **Low demand:** will often be offered to households giving up properties with two bedrooms but will occasionally go to households with one bedroom

* **Very low demand:** highly likely to be offered to households giving up properties with two bedrooms but will sometimes go to households with one bedroom

DO YOU NEED TO BE CLOSE TO SPECIFIC AMENITIES?

Things you might take for granted in London might not always be available in the area you choose to move to. If you need to be close to specific amenities, such as hospitals or mainline rail stations, you need to check whether they are available when choosing which areas to select on your application form.

CAN YOU MANAGE A GARDEN?

As well as maintaining the property in accordance with the tenancy agreement, you may also be responsible for maintaining a garden. Almost all of our bungalows have private gardens.

DO YOU NEED A LIFT?

While most of the Seaside & Country Homes properties are bungalows, some are flats and a few are houses. Most of the flats have lifts, some do not. If you will need a lift to reach higher floors, then please check that any flats in the areas that you put down on your application form have this facility. Also, if you have a floor preference (for example, ground floor only) please make sure that this is included on your application form.

DO YOU NEED A BATH OR WALK-IN SHOWER?

When you apply, you need to tell us whether you need a bath or a walk-in shower, or are happy with either. Please be aware that when we are deciding which properties to put you forward for, we look carefully at the information that you have provided. So, if you choose only one type of bathroom you will not be put forward for properties with the other type of bathroom.

DO YOU HAVE PETS?

Not all of our landlords accept pets. Pets are usually permitted in bungalows but not in most flats. If you have pets, please make sure that the properties in the areas that you select meet your requirements.

All distances and journey times are from central London are approximate and will vary depending on your current location. For directions to properties visit www.theaa.com. For information on train times and prices visit www.nationalrail.co.uk.

BERKSHIRE

LAMBOURN, BERKSHIRE

- The Park, Upper Lambourn Road, RG17 (26 bungalows) ***

WE'RE HERE TO HELP

The Mayor of London's Housing Mobility Team is happy to answer questions about the scheme or how to apply.

If you would like more information or advice, please do not hesitate to contact us by email, phone or letter.

Email **housingmobility@london.gov.uk**

Phone **08450 21 20 20**

Write to **Housing Mobility Team
Greater London Authority
3rd Floor
City Hall
2 The Queen's Walk
London SE1 2AA**

We regret that the Housing Mobility Team are unable to accept visitors at City Hall.

We are also unable to deal with any enquiries that are not specifically about Seaside & Country Homes.

If you need advice about your housing options, or about the Mayor's other housing mobility scheme – Housing Moves, please contact your landlord.

If you want to move to another home within London, you may be interested in applying for Housing Moves. You can find out more at **www.housingmoves.org**.
